As an active practitioner and scholar in the field of management, you must have experienced a need for a journal having conceptual richness, which is normally missing from the common business magazines. In response to this needs, strategic consulting group, a team of competent and dynamic professionals, has initiated publication of a management journal entitled **8M**. **8M** is a quarterly management journal, contributions to which is made by academicians, consultants and management practitioners covering various areas of managing **men, machine, money and the like**. A fully referred journal **8M** explores the latest research and innovative thinking in management. The journal has an international focus and offers variety of perspectives from around the world to help you gain greater insight into current management theory and practice.
